

A low cost travel and in-Canada catastrophic health insurance coverage that can be added to your BCAC Private Health Services Plan (PHSP)

There are no medical questions and the program is available to age 70.

Monthly Premiums	
\$7.26	Single
\$13.98	Couple
\$17.97	Family

This program provides:

- **100% out-of-province/country worldwide travel coverage (\$1,000,000 lifetime maximum per person), no deductible including:**
 - \$5000 repatriation
 - \$1000 hotel convalescence
 - \$15,000 medically delayed travel meals/accommodations
 - \$1000 return of vehicle
 - Emergency air ambulance back to province of residence
 - Services of Mondial
- **Plus, for catastrophic purposes, after the \$2,500 per person/year deductible of eligible medical expenses in Canada is reached, 100% of these eligible expenses are covered up to the policy maximums*.**
 - Prescribed drugs
 - Private duty nursing
 - Private hospital room
 - Ambulance
 - Accidental dental
 - Paramedical Services based on \$50/visit
 - Durable Medical Equipment

(Note: The \$2,500 deductible is based on the cumulative amount of the eligible expenses, whether they are paid for personally, are processed through the PHSP, or paid for through another benefit/insurance program.)

*(*Disclaimer – where there is a discrepancy or conflict in this summary and Western Life Assurance Company Policy SER1001, the policy wording will prevail.)*
