

BC Local Authority or First Nation Request for BC Agriculture Council Temporary Access Pass Resources

Background:

BC Agriculture Council developed the flowchart, temporary access pass, application form and the ArcGIS digital template (the “**Materials**”) with input from local authorities and the Province of BC. The original concept was developed by the Township of Spallumcheen and shared with the BC Agriculture Council with the understanding that the tool would not be used for commercial or profit-generating purposes.

Disclaimer & Instructions:

The Materials are intended to be a template or an example only, and they are provided to assist local authorities/First Nations in developing their own processes and materials. Specifically, the local authority/First Nation will need to fill in the highlighted sections in the Materials and review the Materials overall for alignment with the specific circumstances of the local authority/First Nation.

A local authority or First Nation that uses the Materials agrees that:

- they must review and modify them for their own purposes,
- they should obtain their own legal advice relating to the use of the Materials, and
- BC Agriculture Council is not responsible for any loss or damages that arise when using this template.
- they will not share the Materials externally
- they will continue to monitor for and consider Ministry of Emergency Management and Climate Readiness (EMCR) changes to regulations and guidance information as these products will not be continually updated

☐ **By checking this box I acknowledge that I have read and agree with the above Disclaimer and Instructions**

Request Details:

To verify eligibility to access the Materials, please provide the following details in a request to BC Agriculture Council via email to Projects@bcac.ca

Name of the Local Authority or First Nation making the request	
Your Name and Position	
Phone Number	
Email	

Please use the check box to specify which resources (or both) are being requested:

- ☐ The Word template for a paper-based Temporary Access Pass system `
- ☐ The ArcGIS-based digital template for a Temporary Access Pass system (Note: some ArcGIS capacity is required)

We gratefully acknowledge the financial support of the Province of British Columbia through the Ministry of Agriculture and Food
